### WARNING

1. Do not leave child unattended with product while in use.
2. Avoid scratching goggles lens.
3. Do NOT dive into the water.
4. **CAUTION:** Keep out of baby's reach.
5. **WARNING:** Aquatic toy. Use only under supervision.
6. The product is not a life-saving device.
7. Only to be used in water in which the child is under adult supervision.
8. The product must be assembled/disassembled by an adult.
9. **WARNING:** Only for domestic use.
10. Keep the assembly and installation instructions for further reference.
11. **WARNING:** Never pull eye cups away from face, as they may spring back and cause eye damage.
12. Goggles are for children only.
13. Keep away from fire.

## **⚠ INSTRUCTIONS OF USE**

Before assembling your product, please take a few minutes to check the contents and become familiar with all the parts.

### **Wearing Goggles:**

1. Remove protective film from goggles lens before use.
2. Adjust goggle head strap and bridge strap to a proper and comfortable position.
  - The head strap is used to hold the goggles in place.
  - Tighter is not necessarily better, as this may cause discomfort and marking around the eyes.
  - Correct adjustment can be obtained by tensioning the band until a comfortable fit is achieved.
  - Correct adjustment of the bridge strap is essential for both comfort and a watertight seal.
3. To avoid water intake, slide the lenses closer together or further apart one notch at a time until the correct fit is obtained.
4. To clear water or to adjust goggles, take a firm grip on the eye cup and tilt the lower edge of the eye cup slightly away from the face.
5. To remove goggles, put thumbs under head strap at side of head. Slide thumbs to back of head, and lift elastic from back to front of head.
6. It is recommended that teachers, coaches, or mature swimmers demonstrate this method to young children.

**The 3D Goggles must be worn to see the 3D effect inside the pool.**

### **Care Instructions:**

1. Rinse goggles with cold tap water before storage.
2. Air-dry goggles, and store in dry place. Do not store in direct sunlight.
